The Learning Framework in Number Robert J Wright 2018-03-12 This latest book in the bestselling Mathematics Recovery series gives mathematics educators a complete research-based framework for assessment, instruction and intervention in whole number arithmetic over the first 5-6 years of school.

Maths, Stage 7 Naomi Norman 2017-12 This brand new, three-level series, provides coverage of the Cambridge Secondary 1 maths curriculum framework. Written by an experienced author team, the series comprises a comprehensive Student Book, extensive Workbook and supportive Teacher Guide. Student Book 7 provides comprehensive coverage of the Secondary 1 syllabus through 9 topic-based units. The series is influenced by a mastery approach, with topics being thoroughly embedded before learners move on. * New concepts are presented through worked examples, which lead learners, step-by-step, through the concepts, with clear and detailed explanations. * Links are made between topics, encouraging learners to build on relevant fluency from previously learnt topics, and practise mathematical concepts in a different context. * Learners build 21st-century skills such as mental maths strategies, pattern spotting and problem solving, enabling them to talk about mathematics with confidence. * With challenge questions integrated throughout, learners can deepen their understanding. * Learners are encouraged to reflect on their learning, in order to build learner independence. * The series builds on the foundations laid down in primary maths, and prepares learners for embarking on IGCSE maths. Collins is working closely with Cambridge International Examinations towards endorsement of the series.

Year 7 Book 2 2012-10 Collins Online Learning 1-year licence Aimed at effectively delivering the 2008 framework, the Pupil Books are packed with functional maths questions and spreads and ensure progression by providing differentiated material for each level.

Maths Frameworking Keith Gordon 2003 A dynamic scheme written to support the Framework for Teaching Mathematics: Years 7, 8 & 9. It offers complete differentiation across Key Stage 3 with a range of features to support teachers and pupils.
