Check out HowExpert Guide to RV Life to learn how to buy, drive, and maintain a recreational vehicle to travel and live the RV lifestyle! About the Author Charley Dickson is a former Oregonian who now lives full-time in a 38' Class A motorhome in various places around the country. In his 30+ years of RVing, he and his wife have traveled in a pop-up trailer, a 30' travel trailer, a 29' Class C motorhome, a 40' 5th wheel trailer, and two Class A motorhomes. He's been to most of the country, but there are still many places he and his wife will be seeing. He's a firm believer in being more of a do-it-yourselfer rather than having someone else do a repair or modification. As such, he's a staunch supporter of doing the homework to find out as many aspects of a certain subject as possible. As such, this book is written for other folks who want to know more about RVing. HowExpert publishes how to guides by everyday experts.

The Essential Guide to Motorcycle Travel, 2nd Edition Dale Coyner 2017-02-16 Motorcyclists in record numbers are heading out on ambitious trips across America and around the world. The Essential Guide to Motorcycle Travel offers essential advice to fully prepare them

for traveling long distances over extended periods. Whether you are getting ready for a weekend trip beyond your home turf, or for a transcontinental odyssey lasting several years, Coyner's book details the fundamentals for riding in comfort, safety, and convenience. In three major sections, this book covers trip planning, rider preparation, and outfitting the motorcycle. This newest edition has been completely updated to reflect current information and the newest trends in mobile technology, as it relates to motorcycle touring. Coyner lays out the steps for planning a worry-free, fun trip, one that starts with the rider physically and mentally prepared. On the road, having good riding gear can make a dramatic difference in comfort and safety as the weather changes from dry to wet, and from hot to cold. Coyner describes the important aspects of personal preparation and describes the major kinds of riding gear and how they work to control body temperature and moisture. As motorcycle technology has evolved, so have aftermarket accessories, which are made to address virtually every special need. Coyner shows you step-by-step how electrical modifications can be made, and provides specific sections on high-performance lighting and conspicuity, GPS and other cockpit instruments, entertainment and communication devices, cameras and camcorders, ergonomic enhancements, suspension improvements, luggage and storage additions, and trailers. Over 250 full-color photographs illustrate riding gear, accessories, and modifications that will make any motorcycle adventure the trip of a lifetime. *Living the RV Life* Marc Bennett 2018-11-20 Whether you're downsizing or thrill-seeking—or anything in between—find out if the RV lifestyle is right for you, and learn how to transition from a life of traditional home-ownership to one on the road.
